

Staff Pre-Survey

1. Have you used similar technologies to the CNC? For example, 3D printers, laser cutters, Cricut Cutter, or other 3-axis machines?

- ☐ Yes, frequently
- ☐ Yes, a few times
- ☐ Yes, once
- ☐ No, but I am familiar with them
- ☐ No, and I am not familiar with them

2. What is your familiarity with CNC machines?

- ☐ I am very familiar with CNC machines
- ☐ I am somewhat familiar with CNC machines
- ☐ I have minimal familiarity with CNC machines
- ☐ I have no familiarity with CNC machines

3. Please rate the following statements between 1 (Strongly Disagree) and 5 (Strongly Agree)

- A. The Design Center provides a welcoming environment to learn new technologies.
- B. I am interested in exploring how to use the CNC in the Design Center.
- C. I perceive barriers to learning how to use the CNC.
- D. I feel intimidated by using the CNC at my current knowledge level.
- E. I feel ready to use the CNC at my current knowledge level.
